TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

NUMISMATIC HIGHLIGHTS OF AUCTION SALE No. 46

There are 546 lots of U.S. and Foreign coins. The listings should be carefully perused for that missing date or type coin you need. We believe our grading meets current or future A. N. A. standards. Check Lots C185-7 for FAO Coins.

For the collector of U. S. coins, many out of print or hard to find books are listed - Crosby, Overton, Frossard, Bolender, Newcomb and Sheldon to name a few. A classic, Lot 912 is the American Bond & Currency Detector printed in 1869. Ancient coin buffs will find a series of Ars Classica catalogues, see Lots 180-185. Good bidding!

FRANK and LAURESE KATEN present for your approval their 46th Public and Mail Auction Sale Catalogue. It contains the 3rd part of "The Wylie Hoard" of a fabulous collection of early American Auction Catalogues, many with the wanted rare photographic plates, and a goodly number with hand printed prices realized.

A word about the "Wylie Hoard" for collectors receiving an auction catalogue for the first time. Mr. Alexander Parker Wylie was born January 23, 1861 in LaSalle County, Illinois, and died in his 71st year on June 29, 1931. He graduated with the Bachelor of Science Degree from the East Paw Paw Classical Seminary, at East Paw Paw, Illinois, in the class of 1884 and at the time was valedictorian of his class. He also had previously attended Knox College at Galesburg, Illinois. (Dr. John S. Davenport, noted author of world crown books, has taught at this institution for many years.

Mr. Wylie had been a collector all his life and a dealer for 47 years. He specialized in United States coins, paper money and numismatic literature. He advertised extensively for the period, not only in The Numismatist, but through mail order lists.

His coins and paper money were sold by Mr. M. H. Bolender, during three sales in 1935, 1936 and 1937. His 3000-4000 pieces of literature remained dormant until Katen Sales 44 and 45 in 1977. This catalogue is part 3 of the collection.

Interested collectors may still obtain copies of Sales 44 and 45, with prices realized lists for \$5.00. Prices Realized list for this sale is \$2.00. The three sales will become the bibliography of Early American Auction Catalogues.

May we also suggest the reprint of Attinelli, "A Bibliography of American Numismatic Auction Catalogues, 1828-1875. We have the reprint, with valuations, at \$25.00. The original, 1876, as Lot No. 1802 in our Sale No. 45, sold for \$300.00.

AGAIN, MANY THANKS TO OUR MANY CONSIGNORS IN THIS SALE.

NUMISMATICA MEMORABILIA *

PHILADELPHIA, 48 NORTH TENTH ST. }

1st January, 1864. }

DEAR SIR :

Having been disappointed in the most confident expectation of purchasing a very valuable collection of American Coins,—to which I should have added a few pieces as an additional attraction,—I beg to inform you that I intend offering, on the second evening of the sale, already fixed to take place at the Auction Store of Messrs. BANGS, MERWIN & Co., 596 Broadway, New York, on the 12th, 13th and 14th inst., a *Disme* of 1792, in *Silver*.

This is, without doubt, the most interesting as well as the rarest Coin, that has yet been offered for sale at public auction, from the acknowledged fact that it was made from some silver sent to the Mint by George Washington, for the purpose of having a pattern struck for a Disme (or Dime), and which, it is said, was submitted to Congress, but not approved of.

It is but right to state, that when I purchased it there were several scratches upon it, which have been very carefully removed, and the Coin is now in very excellent condition.

Pledging my word that the piece is submitted to the Collectors, without any sort of reservation, I remain,

Yours faithfully,

EDWARD COGAN.
